Thank you for your interest in conducting a fund/food drive in support of the Montgomery Area Food Bank (MAFB). Hunger is year 'round, and so is our mission to ease the suffering caused by hunger and we appreciate your willingness to help out. MAFB distributes assistance throughout 35 of Alabama's 67 counties. Monetary donations are indeed welcome. (Checks should be made payable to the Montgomery Area Food Bank or MAFB). **At MAFB, we can provide 6.5 pounds of food for every dollar donated.**

**Please provide us with the following information and sign below with acknowledgement/permissions**

Who will be your contact person for drop-off of donated food? Name and #: \_\_\_\_\_

You may use containers of your choice, or barrels and/or boxes may be obtained at MAFB. **We suggest you take one or two barrels for use in collecting the food and additional boxes for use in storing and transporting.**

**PLEASE do not apply or attach anything to MAFB barrels. The graphics are easily ruined.**

Unfortunately, with the number of drives and our small staff, we cannot support donation drop-offs/pick-ups. So, as you are conducting your charitable mission, MAFB appreciates your understanding about our expensive transportation costs as you pick up your requested containers/boxes and return your collected drive to us.

Especially during the Holiday Season, we simply do not have the resources or manpower to pick up & deliver for individual fund/food drives. We can only make exceptions for very large drives where the amount of food collected **necessitates** transport by one of our commercial vehicles and truck coordination has been pre-arranged.

**MAFB offices are open Monday through Friday, 7:00 A.M. to 3:00 P.M. for pick-up and drop-off.**

Please indicate the number of boxes or barrels needed. Barrels fill up quickly, and our boxes are stackable and far easier to handle when full for transport.
