## Fund & Food Drive Information Sheet

Thank you for your interest in conducting a food drive for the MAFB. Hunger is year 'round, and so is our mission to ease the suffering caused by hunger. Your donations will be given to needy people throughout our service area by our partner agencies that provide service to their clients. Donations of money are also very welcome. (checks should be made payable to the Montgomery Area Food Bank). **At MAFB, we can provide 6.5 pounds of food to feed the need.**

You may use containers of your choice, or barrels and/or boxes (banana boxes) may be obtained at MAFB. **We suggest you take one or two barrels for use in collecting the food and additional banana boxes for use in storing and transporting. We strongly ask that you PLEASE do not apply or attach anything to our barrels. MAFB offices are open Monday through Friday, 7:00 A.M. to 3:00 P.M. for pick-up and drop-off.** As you are conducting your charitable mission, **MAFB appreciates your understanding about our expensive transportation costs as you pick up your containers and return your collected food to us.** Especially during the Holiday Season, we simply do not have the resources or manpower to pick up & deliver for individual food drives. We can only make exceptions for very large food drives where the amount of food collected **necessitates** transport by a large truck.

Please indicate the number of boxes or barrels needed:
