Montgomery Area Food Bank Probation and Suspension Policy

Introduction

Member agencies participate in the Food Bank Program as a privilege granted at the discretion of the Montgomery Area food Bank (hereafter referred to as MAFB). Prior to membership, the MAFB shall conduct an onsite visit of each agency as part of the approval process. When the agency's application for membership has been approved, the MAFB shall conduct periodic monitoring visits of the member agency to insure compliance with the Criteria for Participation in the Montgomery Area Food Bank (hereinafter referred to as the Criteria). These visits will occur once during the first year and once every two years thereafter, although the MAFB has the right to monitor each member agency at any time and without notice.

Probation

If MAFB is made to believe that a member agency has failed to comply with the Criteria, the agency may be placed on probation for a period of three (3) months. The decision to place a member agency on probation shall rest with the Executive Director of the MAFB or its Board of Directors. In the event probation is imposed, the MAFB will serve upon the member agency written notice of the probationary status and an explanation of the causes and effects of the action. The member agency may contest the imposition of probation by submitting its reasons in writing to the MAFB's Board of Directors. The Board of Directors will consider the member agency's submission at its next regularly scheduled Board Meeting.

The purpose for probation is to alert a member agency of possible non-compliance and provide it an opportunity to bring its program into compliance. Food Bank staff will decide what, if any, restrictions will be placed on the agencies during the probationary period. At the end of the probationary period, the Executive Director shall review the member agency's situation and shall decide to (1) terminate probation, (2) extend the probationary period, or (3) proceed with suspension.

Suspension

The MAFB may suspend a member agency from further participation in the Food Bank Program if (1) a member agency has completed a probationary period and has failed to satisfy the MAFB that its program is in compliance, (2) the MAFB is made to believe that the member agency has exchanged donated food or other MAFB products for money, property or services or for using donated food for private use, or (3) the MAFB concludes that it is in the best interest of the Food Bank Program that the member agency is suspended. The authority to suspend a member agency rests with the Executive Director of the MAFB or its Board of Directors. Immediately upon suspension, a member agency shall not participate in the Food Bank Program and forfeits all privileges it may have with the MAFB. An agency may contest the imposition of suspension by submitting in writing its reasons therefore to the Board of Directors of the MAFB. The Board of Directors will consider the agency's submission at its next regularly scheduled meeting.
